

WEBINAR MARKETING
AUDIENCE ON DEMAND
YOUR CONTENT,
OUR TARGETED BUYERS

Generate qualified leads from material handling professionals with qualified buying influences

Market your webinar to our audience! Peerless Media can take your already produced webinar and extend the reach of your promotion by sending it to our targeted audience of qualified material handling professionals.

We'll create and deploy an eBlast with a landing page featuring your event and a pre-populated registration page to capture leads.

Program Details:

- Custom eBlast landing page with your webinar embedded to be sent to selected audience.
