Custom Qualifying Questions

SupplyChain247.com and Peerless Research Group are continuing to build on their popular "What's Next?" research series with their fourth annual set of quarterly reports. These studies will deliver exclusive market insights, designed to enhance our readers' comprehension of the latest developments in supply chain technology and software adoption. Our reports will not only shed light on the current landscape but also trace the evolution of these vital tools as they power today's modern operations.

Each of these studies will be sent to over 40,000 select members of SupplyChain247.com. Become a sponsor for one or more of these surveys and generate qualified leads from the supply chain professionals who download them.

Sponsorship benefits:

- Promoted through eBlasts to SupplyChain247.com audience of more than 40,000+ select supply chain professionals.
- Generate leads from all downloads.
- Custom qualifying question for your product or service.
