2023 ANNUAL QUARTERLY RESEARCH SERIES

SUPPLY CHAIN TECHNOLOGY AND SOFTWARE: WHAT'S NEXT?

Supply Chain 24/7 and Peerless Research Group will again provide quarterly, original market intelligence to help our readers better understand not only the current state of supply chain technology and software adoption, but track the evolution of these critical tools as they're being put to work in today's modern operations. The theme of this year's four-part series is "What's Next?".

These studies will be sent to 40,000+ select members of Supply Chain 24/7. Sponsor one or more of these surveys and generate numerous qualified leads.
