

About This Report

This report summarizes the collective information about the audience served by Digital Engineering. Reported herein is both aggregate and unduplicated data regarding magazine circulation, email newsletter circulation, social media followers and website activity. The contents of this report are derived from publisher's own data for the periods shown unless otherwise noted.

Darrell Dal Pozzo, Senior Vice President, Group Publisher

About Digital Engineering

Digital Engineering is edited for design engineers and engineering managers with the news and information they need to succeed in the global manufacturing market. *DE's* coverage includes 3D printing/additive manufacturing, MCAD, CAM, engineering analysis, PLM, data acquisition, hardware, and software developments.

The audience includes qualified recipients who participate in product or system design engineering, engineering analysis, industrial design, corporate management, engineering or IT management, testing/measurement/quality inspection, research & development and other qualified functions and are recipients who evaluate, recommend, specify, buy, or authorize the purchase of computers, hardware or

Executive Audience Summary

Online Issue: December 2024

Publisher's Data

Online Issue	54,954
Total Online Issue Circulation	54,954

Email Newsletters: December 2024
